

Bell, J. D., Watson, R. A. and Ye, Y. (2017) Global fishing capacity and fishing effort from 1950–2012. *Fish and Fisheries*, 18(3), 489–505.

In the above paper there was an error in the scales of the y-axis of Figures 2 and 5. The correct y-axis labels should be “Capacity (watts $\times 10^9$)” for fishing capacity (Figure 2) and “Effort (watt days $\times 10^{11}$)” for fishing effort (Figure 5).

The authors would like to apologize for this error.
